Blackout Poetry

Try turning a page into a unique poem!

Steps:

1) Take a page and underline the words that you want for your poem in pencil. You can make them form sentences or they can just be words that pop out at you.
2) Once you have selected the words you want, cross out all the other words either with sharpie or by drawing over them with markers.
3) Decorate your poem!

Send your blackout poetry to info@banfflibrary.ab.ca or tag us on Instagram @banffpubliclibrary for an entry in our end of summer grand prize draw!
