Title: Provision of Resources to Those Unable
to Use Conventional Print Policy

Motion No. 21/11/18-43

Reviewed: November 21, 2018

References: 2014/02/19-14

Purpose: The Banff Public Library Board will provide facilities and services to all members of the community.

1. The Library is accessible to all members of the community.
2. The Banff Public Library Board recognizes the right of people unable to use conventional print material to access resources for recreation and information.
 - 2.1. Materials supported by the CNIB have restricted access to those people with print disabilities.
3. The Banff Library Board will coordinate and cooperate with other local community agencies and groups to support initiatives to promote library resources to people that are unable to use conventional print.
4. The Banff Library Board will periodically review Library service to ensure that the Library is continuing to serve the needs of all people in the community.
