

Summer Reading Retro Game: Alphabet Activities

- Draw some squares on the sidewalk, as many as you want!
- Draw a letter in each square.
- Have someone call out one of the letters drawn on the ground.
- Hop into the square of the letter that was called out.
 - For an extra challenge, perform an action that starts with the letter you're standing on. For example if you're on the square with the letter 'J', you could jump, jive, or jiggle.
