

Do it Yourself Memory Game!

Step One: Draw a pair of matching pictures in the grids below. The pictures can be identical or similar, whichever you prefer. For example, you can make 2 boxes with stars or have a box with milk and one with cookies.

Step Two: Cut out the squares so they're all separated.

Step Three: Shuffle them and place them on a flat surface with the pictures you drew facing down. Flip them over 2 at a time and try to match them. When you get a pair, take the pieces out and set them aside. Play until all your pairs are complete.
