

Make Your Own Constellation Projector!

Materials:

- Toilet paper roll
- Tape
- Push pin
- Printable Constellation Cards (provided)
- Flashlight
- (Optional) decorative materials

How to do it:

1. With adult supervision, use a push pin to poke holes at each dot on the constellation cards.
2. Cut out all of the constellation cards.
3. Tape one card to the end of the toilet paper roll.
4. Tape the toilet paper roll to your light source and you're all ready for projecting!
5. For best results, use your projector in a room with darker walls with the lights off.
