

Make Your Own Pie Plate UFO!

Materials:

- Pie plate (Paper plates work just as well!)
- Glue
- Tape
- Pipe cleaners
- Decorative materials of choice
 - Construction paper
 - Stickers
 - Buttons
 - Beads

How to do it:

1. Flip your plate upside down.
2. Glue on as many decorations as you'd like.
3. Tie a knot on one end of your pipe cleaner.
4. Have an adult poke a small hole in the middle of the plate and poke your pipe cleaner through to make an antenna.
